SERVICES

We providing following Service.

FSSAI

FSSAI registration is an abbreviation used for Food Safety and Standards Authority of India. FSSAI license is mandatory before starting any food business.

Certificate of Occupancy:

Once your location has passed the final building inspection, the local building or zoning department in your city will issue a certificate of occupancy.

Sign Permit:

Before you put up any signs to draw attention to your restaurant, you will need a sign permit from the city government. The specifications around what is acceptable with regards to size, location, and lighting vary by city.

Music Licenses:

If you want to play any type of music at the restaurant, you'll need a music license to avoid copyright infringement. This includes live music as well as music from a CD or streaming service.

Trade License:

Trade license is a document that authorizes a resident to pursue a trade or business in a particular premise. It is issued in consultation with other specialized departments like fire brigade; health; engineering; estate; and the likes of it, so as to ensure that the citizens aren't affected by health hazards and nuisance caused by the improper conduct of trade.

Liquor License (FLIII, FLIV, FLV)

A liquor license, as the name suggests, is a permit that is required to sell alcoholic beverages for consumption. In Mumbai, alcoholic beverages are sold in several restaurants, bars and clubs.
